*Additional cost

Adventure Cost

Jan 3rd-7th

As of today 4/5 both Disney and several airlines are not accepting booking for January 2024, so we are not able to get firm prices for our adventure. Based on last years trip in November and the adding of an additional day we are approximating the cost to be between
\$1200-\$1400.00

When we are able to book reservations you will need to place a \$200 per person nonrefundable deposit down.

You will have the ability to make weekly/monthly payments on your trip via Travel by Design website.

Final payments will be due in October
